Eschol Park House has three elegant dining rooms that can cater to your needs. Each room's decor is a distinct timeless elegance. Each room is separate, with their own entry and exit and bathroom facilities. Eschol Park House has no pillars and no partitioning, so you won't feel you are in some club, hotel or corporate venue that is "trying" to tart them self up for a wedding.

You deserve a stress free wedding and the Eschol Park House Complete wedding package goes a long way to doing that. We have included all the major items you will need and done it in a easy to understand way. What other venues charge you an arm and a leg for like spirits, chair covers, wishing well hire we include as standard. If you would like to add or adjust to your own personal touch, let us know and we will do our best to make your wedding dream come true.
